

SMS Text Message Consent Form

Kennoway Medical Group would like to offer you the ability to receive text messages from our team for the purposes of sharing test results, health promotion, appointment reminders and practice news.

The appointment SMS text service should not be solely relied upon. The responsibility of attending and cancelling appointments remains with the individual.

SMS Text messages are generated by a NHS secure service, however they are transmitted over a public network to your provided mobile telephone number.

To opt in, please tick below:

- I consent to Kennoway Medical Group contacting me via text message for the purpose of sharing health information.*
- I will ensure that I keep the practice informed of my up to date mobile telephone number.*
- I understand that failure to keep my contact information up to date could result in my information being inadvertently shared.*
